NACD Legislative Conference

In 2008, the MACDE Board of Director's voted to provide a \$2,000 scholarship to one MACDE member to attend the NACD Legislative Conference in Washington, DC. Area Training Funds

The MACDE Board budgets \$300 per area (\$2,400 total), for areas to host an area Training for employees. Area 6 has also hosted several wetland trainings. If you are interested in receiving training funds for your area, contact your MACDE area Director.

BWSR Academy

MACDE recognizes the need for training for the SWCD employees throughout the state. However, with dwindling budgets MACDE is encouraging ALL employees to attend the BWSR Academy, which is a very specialized 3-day training event. Discounts are offered to those employees who are MACDE members to attend the BWSR Academy.

MINNESOTA STATE ENVIROTHON

Minnesota State Envirothon

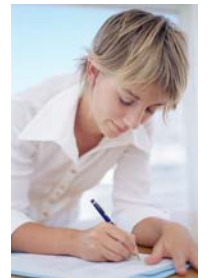

MACDE supports the state Envirothon, by also providing funding. The Envirothon is a great outdoor, hands-on experience for students in grades 9-12 to learn more about natural resources. Area events are held throughout the state, and the winner of the state Envirothon represents Minnesota at the Canon National Envirothon! See the Canon Envirothon website for more information (<http://www.envirothon.org/>).
